The North Carolina Interscholastic Cycling League recommends avoiding long lines and taking advantage of early online registration. **The Pit Zone will close Tuesday 3/19 at midnight.**

Questions about race registration should be directed to [info@NorthCarolinamtb.org](mailto:info@NorthCarolinamtb.org).

## Weather Policy

Any decisions regarding cancelling, postponing, or altering race start times, lap lengths, number of laps, etc. will be made jointly by the North Carolina League director, the land manager, and the North Carolina League chief referee.

## The Cackalacky Cup

You thought the kids were having all the fun didn't you? This season we bring you the first ever NCICL coaches competition. The Saturday of every race we will hold an event in the Cackalacky Cup series. Each event is an event for points where the coaches of each team will represent their team in feats of daring do and bike skill prowess. At the end of the series we will tally the points and the winning team will bring home the Cackalacky Cup and have their team name enshrined on the cup for future generations to marvel at. This event is open to any registered level 1,2 or 3 coach. Sign up at the registration tent.

### **Cackalacky Cup Round Two: The LOOK MOM, I can ride a big kid bike strider bike race**

Racers will race a strider bike. Racers will provide their own bike, bike must be smaller than 24inch wheel size. Converted bikes are ok, converted bikes may not have a drivetrain (no cranks or chains),, riders must have helmets, **racers must wear costumes**. Remember being a kid and riding your bike wearing a cape and your spiderman underoos? No? Be that kid, that kid was rad. We like superhero costumes but use your creativity be as cool as you can be. Try not to obscure your vision cause that makes it harder to keep your eyes on the prize. Best costume gets first place points in addition to their finishing points.
